*** Please Note: Before submitting an ARB Application, please review your governing documents to ensure that your proposed modification/alteration does not expressly conflict with the governing documents and ARB guidelines of your community. Your community's governing documents can be found on the IMC Charleston website, www.imccharleston.com, or provided by request by contacting IMC Charleston. ***

DOCUMENTATION REQUIRED:

1. Copy of your **plat or survey of your lot** and residence. This information was given to you when you closed on your property. It can also be obtained from the city/county office of where you reside or a survey company.. This document will show the dimensions of the lot, the location of your house, other improvements on the lot and any easements. Do not submit application without plat or survey.
2. Two (2) sets of professionally prepared plans for proposed additions and new construction. Must include floor plan, building materials, elevations, roof plan, etc.
3. Project drawn to scale on the plat, with pictures if possible, showing:
 - a. location and dimensions of the project on the lot.
 - b. location of any trees affected by the project.
 - c. for fences: size and location of gates, style of fences and gates and photo of the proposed style.
 - d. for landscaping: location of proposed planting bed addition/extension, types of trees, shrubs and mulch/ground cover to be used.
 - e. what finished project will look like. current
4. If applicable. include any encroachment or other permit approvals from the county with application.

Homeowner must be current with HOA dues and not have outstanding fines
